

Waiver Cost Comparison Work Sheet

Name _____ Billing Month Used _____

This work sheet is a way for the disability community to offer some suggestions to the Department of Health and Human Resources on the responsible use of State and Federal dollars. Please fill in the blanks from the DD-6 and one month's actual billing. The last column is for you to estimate the actual services that would be most appropriate for you or your family member. Many people would be comfortable with a few hours less of some services and some may need more than are received. This is the kind of information we are trying to gather. Thank you for your cooperation. Please send the completed form to Scott Miller, 502 S. Court St., Lewisburg, WV 24901 or e-mail it to scottsam@verizon.net
